NOTIFICATION.

Type-writing qualification for clerks in Government Offices.

The attention of prospective candidates for employment in clerical posts under the Government of Madras is drawn to the fact that under the statutory rules govering recruitment to such posts no person will be eligible to be considered for appointment as clerk after the first January 1934 unless he has passed the Government special test in type-writing by the Higher grade or by the Lower grade in an examination held after the 1st January 1933. Till the 1st January 1934 persons who have passed the test will be given preference over those who have not and the latter can in any case, not be confirmed or rise above the minimum of their scale of pay unless and until they pass it. Persons who wish to take up clerical appointments under the Government of Madras should therefore acquire this qualification without delay. Examinations in type-writing will be held quarterly with effect from January 1933 instead of annually as hitherto.
